The basic speed law of California requires that the motorist take into account the traffic and highway conditions when deciding how fast to travel. Regardless of what speeds are posted, he must never travel at a speed which endangers the safety of persons or property.

### Kettler Kapers

By Virginia Jones

DID YOU KNOW that this is fire prevention month? And do you know what numbers to call in case of any emergency or fire? Then tack these numbers on your wall—phone Torrance 23 for emergency or fire and phone Torrance 491 for information. If you have not already read the article elsewhere in this paper, do so! A person never knows when he may be able to help his neighbor. Let's get behind this campaign, 100 percent.

THOSE WHO WERE not at the Kettler Home Owner's meeting last Thursday night, missed hearing Dr. Heinrich Hull, Superintendent of Torrance Schools. Jimmy Cole, presented his services as secretary for the evening. Mrs. Elaine Williams stated that those wishing school bus service in this area, are to go to the October 10 school board meeting at the office on Plaza del Amo. The number of persons at this meeting from Kettler will help considerably. Another item of interest is that next meeting will be the last Thursday in October, the 26th. Officers will be elected at this meeting, so you are all urged to attend.

POMONA FAIR GOERS last Wednesday were Dorothy and Norman Waivright of Reynosa drive and Iris and Don Nash of Kathy way who enjoyed their outing immensely. They were impressed with all the booths, displays, home shows—even to the last animal! Other fair visitors were Don and Betty Clark and daughter Kathy of 1815 Reynosa drive.

IT'S ANOTHER GIRL FOR Harold and Lura Mae Trezise! The proud parents have named their new daughter Diana Lynn and she weighed 8½ pounds at Torrance Memorial Hospital, Thursday, September 28. Her "big" sister, Janice Louise is all of one year and two weeks old. Mother and daughter are doing fine and returned last Monday to their home at 1839 Marinette street.

LITTLE JOHNNY PHILLIPS became five years old September 26 and celebrated this event with a gay birthday party at his home. 2019 Reynosa drive. Neighborhood children played games and Mrs. John Phillips served refreshments and favors to Kathleen Sousa, Donna and Leslie Prince, Jill Eckersley, Martha and Linda Memmer, Renee and Roger Bowerman, Tommy Richardson, Bobby Carter, Ariene and Susan Clark, Richard and Arthur Grant.

JOHN AND AGNES HARVEY of 2180 Middlebrook road, enjoyed a weekend trip recently, altho' they were at different

places! Mr. Harvey motored to LaPaz, Mexico, on business leaving the "little woman" with friends. Mr. and Mrs. Earl Thompson of San Diego, Agnes thoroughly enjoyed her stay, playing bridge for two whole days!

MRS. LEONA WIMMELL was the guest of honor at a lovely baby shower last Friday evening at the home of Mrs. Ruth Bueche, 1734 West 235th street. Hostesses for the gala affair were Mesdames June Grubbs, Berniece Howland, Helen Bell, Georgia Stroub, Vivian Wise, and Ruth Bueche. Guests numbered 23, many of whom were from Hermosa Beach, Hollywood, Los Angeles and Torrance. The Bueche home was attractively decorated in pink and blue, the table lovely with fall flowers. Games which brought peals of laughter were played with prizes going to Mrs. Jerry Withycombe, Mrs. Carolyn Chandler and Mrs. Jane Garner. Mrs. Olson won the door prize. After the games the popular honoree opened many beautiful gifts for the heir-to-be. Refreshments of frozen fruit salad, hot rolls, coffee, and cookies were served by the hostesses.

COMPLETING A SECOND VACATION were Elaine and Robert Williams and son Robert of 1820 Middlebrook who spent a week visiting relatives at San Lake City. They had also spent five weeks in Washington, D. C. this summer although it was mostly a business trip.

THAT POPULAR GAME, CANASTA, again provided an evening of entertainment at the home of Mrs. Betty Dawson, 1812 Reynosa drive. Mrs. Louise Parker won first prize and the booby prize went to Mrs. Bette Dickson. Other guests were Mesdames Peggy Soles, Evelyn Coleman, Willie Archbold, Betty Clark, Gerrie Horner, Edna Crosswhite, and Joan Friend. Refreshments were served by the hostess.

HOPE THE HOSPITAL "BUG" doesn't strike any more folks, "round hys"! Convalescing at home following her confinement at San Pedro Hospital is Mrs. Yvonne Botroff of 2342 Falena street. Her two sons Steven and David, husband Merton are happy to have her home again.

MRS. SALLY ECKERSLEY is hoping to come home this week from Torrance Memorial Hospital where she underwent major surgery. Her parents, Mr. and Mrs. Lie Van came out from Indiana just in time to help care for her two small daughters, Jill and Jan and husband Ivan at their home, 2022 Reynosa drive.

### Mrs. Mae Leake Entertains Soroptimist Club at Home

A two-fold purpose was served at the dinner meeting held Wednesday evening when members of the Harbor District Soroptimist Club were entertained in the home of Mrs. Mae H. Leake, 1525 Marcelina avenue.

The Soroptimists honored a fellow member, the former Edna B. St. Clair, an employee of the California Department of Unemployment, who recently was married to Henry Walters. Many lovely gifts were showered upon Mrs. Walters, who is the first bride in the ranks since the club's inception.

Second event of the meeting was the announcement by Miss Edna Whitlow, president, that October 1 through 6 would be designated as Founders Week for Soroptimists. In line with making the celebration a "big event," the harbor group scheduled a program October 4 marking the 29th anniversary of the founding of the first Soroptimist Club in Oakland, California on October 3, 1921. Eighty executive, business and professional women interested in giving service to their country and in fostering projects which will give constructive aid to minor age girls, formed the nucleus of the rapidly expanding organization.

### Two Share Birthday Festivities

John Hedberg, 11, and Robert Shellman, 8, celebrated their birthdays at a gala party Friday when they were entertained in the barbecue patio of the John Shellman home, 1413 Madrid avenue.

Games and the opening of the boys' gifts preceded serving of festive birthday cake and other refreshments to the celebrants and Jeannie Hedberg, Johnny Shellman, Carl and Mark Moulton, Judy, John, and Peter Bleser, Neila MacDonald, Marian Uglund, Barbara Biddle and Bob Little.

### Smokeless broiling ...GAS HAS GOT IT!

THERE'S no smoke... no greasy vapor... to settle on painted walls or make eyes smart... when you broil meats in a new automatic gas range. The clean blue flame of gas consumes smoke and spatter. Melted fats are drained away below the rack and protected from the direct heat. Heavy insulation and closed broiler door keep the heat out of your kitchen. You can broil with gas and be comfortable on even a warm day. The live flame of gas really broils, too. It sears your meat... seals in all juices

and goodness... and imparts that wonderful char-type flavor you expect in meats broiled by expert chefs. And you have no clean-up blues afterwards. Gas broilers wash as easily as your favorite pan.

If you would like to know all the exclusive features of gas, see a gas range dealer or your Gas Company. You'll find that new automatic gas ranges not only cook better and look better... they also cost less to buy and operate.

Among the many makes of gas ranges on display is this beautiful new
